About Us

CORE is a well established brand which provides premium range of aluminium and stainless steel railing system in the world today. Core offers technical assistance in the selection of designs and models of railings and also customizes the models according to the on-site requirements, such as topography, wind pressure and all aspects of the projects which include estimation, designs and color selection. Core's Railing Systems and fittings are modular in technology so it doesn't need any welding or polishing and we provide end to end solutions of it.

Our Strengths:

- 20 Years of extensive experience in this industry.
- Dedicated technical team with the experience of over 20 years.
- Modular and Advanced fittings.
- Dedicated Sales and Customer Support Team.

Extremely Strict Quality Standards:

CORE provides an exclusive grade of metal according to the National and International Market Standards. Our all components passed through the Strict Quality parameters ensuring safety and functionality of every product. We assure to maintain the quality at reliable rates that meets the budget set by our valued clients.

Business Opportunities with Us:

With our valuable experience of 20 years in this Industry. We have gained clients faith and also maintaining the client's satisfaction throughout the journey. We provide professional business with long term relationship and we give exclusive sales rights for particular region. We runs attractive margins, bonus programme and free advertising support on all platforms.

- ★ Top mounted with Bracket and Cover.
- ★ Suitable For 12 mm Glass Thickness.
- ★ This Product Can Support Glass Height as per given below chart
- ★ Available Finish : Sandblasted / Anodized / Electroplating PVD / Wooden / Powder Coating

• Infinite
